Testimonials

Dear Bill

Your golf prints and golf figures were a great addition to our silent auction. We were pleasantly surprised by the favorable comments and grateful for the additional revenue. Thanks for your help in setting up the awards, raffle, and buffet. Your ideas for next year's tournament make a lot of sense. I will call you soon to discuss implementing those ideas. Thanks again for your assistance. Plan on being part of all our tournaments in the future.

Best Regards,

Dear Diane,

Golf Plus Gifts awards are very refreshing. It is great to have awards that are different and unique. They advertise our event year round and our golfers love them. The golf art and memorabilia that Golf Plus Gifts uses for our silent auction are of the highest quality and truly a great addition to our tournament. We also wish to thank you for the logo golf shirts that you acquired for us for exceptionally good prices. We appreciate all your help and plan to use Golf Plus Gifts services for our future events.
